

dll

```
graph BT; shdlls[shdlls] -.->|ole32_  
shell32_| dll[dll];
```

The diagram illustrates a dependency relationship. At the bottom is a grey rectangular box labeled 'shdlls'. A dashed purple arrow points upwards from this box to a white rectangular box labeled 'dll' at the top. To the right of the arrow, the text 'ole32\_' and 'shell32\_' are stacked vertically, indicating the specific components or interfaces through which the dependency is established.

ole32\_
