

logger_interface

```
graph BT; null_logger --> logger_interface
```

The diagram illustrates a relationship between two classes. At the top is a white rectangular box with a black border containing the text 'logger_interface'. Below it is a gray rectangular box with a black border containing the text 'null_logger'. A blue arrow points vertically from the top of the 'null_logger' box to the bottom of the 'logger_interface' box, indicating that 'null_logger' implements or inherits from 'logger_interface'.

null_logger
